### About

*The ASCE Richmond Branch Annual Golf Tournament is held to raise money to support our educational outreach efforts.*

*This tournament provides the primary source of funding used by the Education Committee to promote member involvement to pre-college and college age students.*

*Money raised will go toward the Popsicle Bridge Competition, held annually for middle and high school students as part of Celebrating Engineering Ingenuity Day at the Science Museum of Virginia. The money will also provide a \$1,000 scholarship to an area student who is majoring in civil engineering, and support social events throughout the year to promote member involvement.*

*Thank you for your support!*
