

## 2016-2017 SCHOLARSHIP APPLICATION

### **Objective:**

To provide financial assistance to qualified and deserving students attending Virginia institutes of higher education, focusing on an engineering/technical curriculum related to civil engineering. The scholarship is open to undergraduate or graduate students enrolled in an engineering or related technical program at a college or university in the Commonwealth of Virginia. Successful applicants will have a demonstrated desire to pursue a career in civil engineering.

### **Funding:**

The scholarship is provided by the Richmond Branch of the American Society of Civil Engineers (ASCE). Funding for the scholarship comes from the proceeds of our Annual Golf Tournament, as well as from sponsorship from Richmond area civil engineering consulting firms. One scholarship will be awarded to the successful recipient in the amount of **\$1,000**.

### **Eligibility:**

All students who meet the following criteria are encouraged to apply:

1. Applicants must be currently enrolled in an engineering program (or related technical program) at a college or university located in the Commonwealth of Virginia.
2. Applicants must have completed a minimum of twelve (12) credit hours toward an engineering related degree.
3. Applicants must have a minimum cumulative grade point average of 2.5 on a 4.0 scale.

### **Application Process:**

Applicants must submit the following to be considered for the scholarship:

1. An ASCE Richmond Branch 2016-2017 Scholarship application form
2. Current college transcript (unofficial copies are acceptable)

Application packages must be received in full by **September 30, 2016**. Send applications via email or hard copy to:

Ryan Abalos  
4805 Lake Brook Drive, Suite 200  
Glen Allen, VA 23060  
[rabalos@dewberry.com](mailto:rabalos@dewberry.com)

**Evaluation and Selection:**

Applications will be evaluated by a selection committee comprised of members of the Richmond Branch of ASCE, including at least one current Officer. The successful recipient will be determined at the sole discretion of the selection committee. The criteria for selection include academic performance, response to the short answer question on application form, employment or extracurricular activities, and a demonstrated interest in pursuing a career in civil engineering.
