Proceeds support ASCE Richmond Branch's Engineering Scholarship Fund and Educational Outreach Efforts

The ASCE Richmond Branch Annual Golf Tournament is held to raise money to support our educational outreach efforts. This tournament provides the primary source of funding used by the Education Committee to promote member involvement to pre-college and college age students.

Money raised will go toward the Popsicle Bridge Competition, held annually for middle and high school students as part of Celebrating Engineering Ingenuity Day. The tournament proceeds will also provide a $1,000 scholarship to area students who are majoring in civil engineering.

Thank you for your support!
