President's Message

Hello ASCE Richmond Branch Members,

I'm excited to share a few updates on what's happening in our branch this month:

Our Vice President, Allen, is doing a great job coordinating upcoming technical meetings. In addition to the technical meeting this week, in November he will team up with Abdullah and Ray, leaders of our local Structural Engineering Institute (SEI) Chapter, to host a joint technical meeting for the structural engineering community - more details soon!

The Younger Members Committee, led by Stephan and Adam, is planning a happy hour at Grandstaff & Stein. This will be a fun event where younger (and "young at heart") members can connect with others in the industry. Be sure to sign up to receive the secret password to enter!

Our Community Service Chair, Travis, is organizing our bi-annual roadway cleanup, followed by a happy hour (see event details below). I encourage you to join us in giving back while spending time with fellow members.

Earlier this month, I represented the Richmond Branch at the ASCE President's & Governor's Forum in Reston, VA. The conference had nearly 100 attendees representing almost every U.S. state, as well as Iraq and Nigeria. I enjoyed the opportunity to meet other Branch Presidents and share the great things we are doing here in Richmond!

This weekend, members across Virginia will gather for the annual ASCE Virginia Section Civil Soiree at the historic UVA Rotunda Dome Room. I look forward to connecting with some of you there!

Thanks and have a great week,
Kyle Hogan, P.E., M.ASCE
ASCE Richmond Branch President
